CAREER OBJECTIVE

Enthusiastic Computer Science student seeking a Software Engineer role to apply knowledge in web development, data structures, and system design while gaining practical experience in building scalable and impactful applications.

PROJECTS

Student Communication Platform (React | Node.js | Firebase)

- Developed a full-stack platform for real-time student communication using React and Node.js
- Integrated Firebase for authentication and real-time database management

IoT Bike Safety Kit (C# | IoT)

- Built an IoT-based system to monitor bike safety using real-time sensor data
- Implemented data processing and alert mechanisms using C#

Event Management Prediction System (React | Firebase)

- Developed a web application for managing and predicting event data
- Built responsive UI with React and integrated Firebase for backend services

SKILLS

- **Programming:** Java, C, JavaScript
- **Web & Frameworks:** React, Full Stack Development
- **Core CS:** Data Structures, Computer Networks
- **Design:** UI/UX Design, Figma
- **Tools & Platforms:** GitHub, Firebase, Web Development

INVOLVEMENT

- Industry training on AI | CTS (**SEP-2023**)
- Project presentation | Bike Safety Kit | Bannari Amman College (**FEB-2022**)
- Workshop | Cloud Computing with AWS | HPCCompany | SNS Square (**OCT-2023**)
- Hackathon | 24 hrs | Student Management System | IHUB (**AUG(2023)**)

INTERNSHIP EXPERIENCE

Web Development Intern – Ampyo Technology

Developed data-driven web applications with backend integration. Worked with structured data storage and retrieval.

Full Stack Development Intern – Nxtlogic

Assisted in full-stack development and database handling. Improved application performance and usability.

EDUCATION

B.Tech – Information Technology | SNS College of Technology | **CGPA: 8.7** (2021 – 2025)
HSC – **88%** | SRSI Matriculation Higher Secondary School (2020 – 2021)
SSLC – **85%** | SRSI Matriculation Higher Secondary School (2018 – 2019)

CERTIFICATIONS

- Java Completion – Preplnsta
- Data Structures & Algorithms
- Git & GitHub

ADDITIONAL INFORMATION

- **Soft Skills:** Analytical Thinking | Problem Solving | Organized | Passion for Technology
- **Languages:** English, Tamil, Kannada
- **Activity:** Organizing a events for school student.
